

June 15, 2010

My name is Allyn Workman and I am the president of the Missouri Driver Safety Education Association (MODSEA). Missouri is serving as the host for the national American Driver Traffic Safety Education Association (ADTSEA) conference being held in St. Louis July 24 - 29, 2010. The conference site is at the Hilton St. Louis Frontenac, their phone number is 314-993-1100.

I am writing to extend a personal invitation to you and your state members to come to the great state of Missouri and the host city of St. Louis for the national conference. In addition to the conference, you will have time to visit and tour a variety of attractions in the St. Louis area. St. Louis is known as the "Gateway to the West". We are also known as "North America's Best Sports City" as we are home to the St. Louis Cardinals (baseball), St. Louis Rams (football), and the St. Louis Blues (hockey). St. Louis is located on the Mississippi River and has a lot to offer. You can take a trip to the Zoo, Six Flags, the Arch tour, the Magic House, the City Museum, the Science Center, Forest Park, the Missouri Botanical Gardens or try your luck at one of the casinos. To learn more about St. Louis and its attractions you can visit, www.explorestlouis.com. You can find many other interesting places to visit within a day's drive of St. Louis and throughout Missouri by visiting www.visitmo.com.

There will be an opportunity to participate in many exciting activities associated with the conference as well. There are tickets available (40 on a first come/first serve basis) for the 1:10 PM Cardinal baseball game on July 22nd against the Philadelphia Phillies. Contact Dave Shearman at dkshearman@gmail.com if interested in baseball tickets.

There will be a day-trip outing to Forest Park on Tuesday, July 27th which has many great attractions with some dating back to the 1904 World's Fair. There will be another day-trip outing on Wednesday, July 28th to the historic colonial town of St. Charles located along the Missouri River.

The host outing will be a Mississippi riverboat dinner-cruise on the Becky Thatcher on Monday, July 26th. The first 200 to register will be able to attend the dinner cruise. Please register for the dinner cruise by July 12th to guarantee your registration. Our number participating in the dinner cruise will be due in advance of the conference.

Tuesday evening will be an opportunity to participate in a Casino Night at Harrah's Casino. To learn more about these activities and to register for them go to the ADTSEA website at www.adtsea.org and click on 2010 ADTSEA conference. To register for the host outings click on the Host Outing Form tab. We ask that all registrations be completed by July 12th. Anything after this date may result in not being able to participate in the event(s) especially the dinner cruise.

A free conference t-shirt will also be available to registrants. To assist us in the ordering process please contact Brian Coulter at bcoulter@nwr1.k12.mo.us prior to July 12th and let him know what size you would like to order.

"Meet me in St. Louis"! Would you please share the above invitation and information with your state members? I am looking forward to seeing you and other state members at the conference in July.

Sincerely,

Allyn Workman

G. Allyn Workman
MODSEA President

Driver Education Department Chair
